

# Most asked question in adoption: WHY?

*Finally, a birthmother gives her heartwarming answer...*

*Read Sample Chapter on Website!*

For the first time, a birthmother shares a story where regrets are replaced with respect, pain is replaced with love, and secrecy is replaced with honesty.

Patricia's story will touch your heart, it will make you cry, make you laugh, make you think.

More than a memoir, this book offers valuable advice to birthmother's and adoptive parents for building trust.
